## Data sheet

## 3RV1042-4FA10

Circuit breaker size S3 for motor protection, Class 10 A-release 28...40 A Short-circuit release 520 A Screw terminal Increased switching capacity !!! Phased-out product !!! Successor is SIRIUS 3RV2 Preferred successor type is >>3RV2032-4UA10<<

| product brand name   | SIRIUS               |
|--|----------------------|
| product designation  | circuit breaker      |
| design of the product  | for motor protection |
| General technical data   |                      |
| product extension auxiliary switch   | Yes                  |
| power loss [W] for rated value of the current  |                      |
| <ul> <li>at AC in hot operating state</li> </ul>                                       | 23 W                 |
| <ul> <li>at AC in hot operating state per pole</li> </ul>                              | 7.7 W                |
| surge voltage resistance rated value   | 6 000 V              |
| protection class IP on the front   | IP20                 |
| shock resistance   | 25g / 11 ms          |
| mechanical service life (switching cycles) of the main<br>contacts typical             | 50 000               |
| continuous current rated value   | 40 A                 |
| Ambient conditions   |                      |
| installation altitude at height above sea level maximum                                | 2 000 m              |
| <ul> <li>ambient temperature during operation</li> </ul>                               | -20 +60 °C           |
| <ul> <li>ambient temperature during storage</li> </ul>                                 | -50 +80 °C           |
| <ul> <li>ambient temperature during transport</li> </ul>                               | -50 +80 °C           |
| Main circuit   |                      |
| number of poles for main current circuit   | 3                    |
| adjustable current response value current of the<br>current-dependent overload release | 28 40 A              |
| <ul> <li>operating voltage rated value</li> </ul>                                      | 690 V                |
| <ul> <li>operating voltage at AC-3 rated value maximum</li> </ul>                      | 690 V                |
| operational current at AC-3 at 400 V rated value                                       | 40 A                 |
| operating power at AC-3  |                      |
| at 400 V rated value   | 18.5 kW              |
| operating frequency at AC-3 maximum  | 15 1/h               |
| Auxiliary circuit  | -                    |
| number of CO contacts for auxiliary contacts   | 0                    |
| Protective and monitoring functions  |                      |
| product function   |                      |
| <ul> <li>ground fault detection</li> </ul>   | No                   |
| <ul> <li>phase failure detection</li> </ul>  | Yes                  |
| trip class   | CLASS 10             |
| breaking capacity maximum short-circuit current (lcu)                                  |                      |

| <ul> <li>at AC at 240 V</li> </ul>                            | <ul> <li>at AC at 240 V rated value</li> </ul> |   | 100 kA   |                      |                     |  |
|---|--|---|--|----------------------|---------------------|--|
| <ul> <li>at AC at 400 V rated value</li> </ul>                |  |   | 100 kA   |                      |                     |  |
| <ul> <li>at AC at 500 V rated value</li> </ul>                |  |   | 18 kA  |                      |                     |  |
| <ul> <li>at AC at 690 V rated value</li> </ul>                |  |   | 12 kA  |                      |                     |  |
